Illinois Department of Transportation Manual/Map Sales – Room 121 2300 South Dirksen Parkway Springfield, IL 62764

# **Schedule of Average Annual Equipment Ownership Expense**

The "Schedule of Average Annual Equipment Ownership Expense" is now available at <a href="http://www.dot.il.gov/dobuisns.html">http://www.dot.il.gov/dobuisns.html</a> for download. It is designed for use on Force Account bills of Contractors performing work for the Illinois Department of Transportation and local government agencies who choose to adopt these rates. This schedule is also to be used in determining appropriate rates utilized by the Illinois Department of Transportation and other state agencies with various local government agencies.

#### NOTICE

# Construction and Quality Assurance Consultants S 33- Geotechnical Field Testing and Inspection Class

Professional Transportation Bulletin 117 included a notice that S 33 is a required class for technicians performing soil tests on construction projects. This includes consultant personnel providing Construction Inspection or Quality Assurance Testing on Department projects. The Department will schedule sessions of this class after determining the demand. Below is a description of the class and sign-up information.

## **Course Objectives**

The student will be able to do the following: 1. Determine the Standard Dry Density and Optimum Moisture content of soil or soil mix according to AASHTO T 99. 2. Determine in-place density in accordance with approved test procedures. 3. Select the correct soil curve by the use of a one-point proctor and/or textural classification of the soils. 4. Determine the moisture content of a soil by either laboratory or field methods. 5. Perform validity checks of the soils test results. 6. Report test results in accordance with departmental requirements.

### **Prerequisites**

1. One year of college level technical training or six months experience, or consent of the course instructor; 2. High school math, including ability to calculate percentages.

## **Course Length**

Two Days, including written examination.

#### Cost

There is no cost to consultants.

#### Location

District One, District Eight, and other locations determined by demand.

#### Schedule

As determined by demand; late fall, winter, and early spring.

## To Register

Mail or Fax a note or e-mail Brad Risinger in the Technical Training Unit. For each proposed registrant, provide name, firm name, address, phone, FAX and e-mail. Please list multiple registrants in priority order, since seating in initial classes may be limited.

Brad Risinger IDOT- Technical Training Unit 313 Hanley Building 2300 S. Dirksen Parkway Springfield, IL 62764 217 782-0128 FAX 217 524-7260
